MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (MoU) is made on 17th July 2020 by and between:

Shivamogga Smart City Limited (hereinafter referred to as "SSCL")

and

Shivamogga Institute of Medical Science, (hereinafter referred to as "SIMS")

Statutory Alert:
1. The authenticity of this Stamp Certificate should be verified at "www.shcilestamp.com". Any discrepancy in the details on this Certificate and as on the website renders it invalid.
2. The onus of checking the legitimacy is on the users of the certificate.
3. In case of any discrepancy please inform the Competent Authority.

The expressions SSCL and SIMS, shall wherever the context admits, mean and include their respective successors-in-interest and permitted assignees and shall hereinafter be referred to individually as "Party" and collectively as "Parties".

Whereas Government of Karnataka has incorporated a Special Purpose Vehicle (SPV Company) Called SSCL to execute the Smart City Plan. This SPV has 50:50 equity ownership by the Government of Karnataka and Government of India. The SSCL has a full-time Managing Director and Board of Directors. SSCL is the key entity through which all Shivamogga Smart City Projects are being implemented. "Supply and Installation of Furnitures to COVID-19 Hospital in Super specialty Hospital." project is one such project under which a provision of Rs. 50.00Lakhs is made towards Supply and Installation of Furnitures to COVID-19 Hospital in Super specialty Hospitalof SIMS.

Following are the components proposed to be procured under this work by SIMS.

- General Cots with Matress (100 Nos.)
- ICU Cots-Motorized (20 Nos.)
- Fowlers Cots/step down cots (30 Nos.)
- Bedside Lockers (100 nos.)

Whereas SSCL is keen to provide the financial assistance required to SIMS to ensure implementation of the Project.

Now therefore in view of the foregoing and in consideration of the mutual covenants and agreements hereinafter set forth, SSCL and SIMS agree as follows:

1. The SSCL authorizes the SIMS to implement this Project as per the in-principle approval of the SHPSC meeting held on 19.06.2020 to take up health infrastructure projects in Consultation with line departments.

2. Further it was decided to follow Smart Cities Advisory Guideline No 15 (enclosed as annexure-A) for Supply and Installation of Furniture's to COVID-19 Hospital in Super specialty Hospital, SIMS.

3. The SIMS has prepared a detailed estimate for procurement of COVID-19 Hospital furniture required for Super Specialty Hospital, SIMS in Mc. Gann Teaching Hospital for an amount of Rs. 50.00 Lakhs.

4. Owing to Covid-19 emergency, SIMS has requested SSCL to provide funding/ financial assistance of Rs 50.00 Lakhs towards procurement of furniture under

this project through vide letter no. [illegible]/10/2020-21 Dated 20.06.2020 under Smart City Project funding.

5. Whereas SSCL has informed SIMS that the required funding shall be borne by SSCL Subject to past-facto approval for fund allocation from the Competent authority towards this project and directed SIMS to invite the tender. It was also informed to SIMS that an MoU in this regard shall be signed with SSCL after inviting the tender owing to emergency of the procurement.

6. Following this, SIMS has invited a tender on 02.07.2020 through e-procurement portal of GoK vide indent No: MI/2020-21/IND3232

7. The SIMS will be the implementing agency to carry out all projects related needs including preparation of Detailed Project Report and Request for Proposal and the tender documents with all the technical requirements related to the Supply and Installation of Furniture's to COVID-19 Hospital in Super specialty Hospital. SIMS will take care of the tendering and awarding process.

8. After finalization of the contractor, a tripartite agreement shall be executed between SSCL, SIMS and the successful Contractor. The payment to the selected contractor shall directly be paid by SSCL after due verification from the implementing department and onward recommendation of SIMS.

9. SIMS is wholly and solely responsible for Supply and Installation of Furniture's to COVID-19 Hospital in Super specialty Hospital. Apart from Rs. 50.00 Lakhs SSCL shall not provide any additional financial support for this project.

10. Any decision relating to the Project shall be intimated from time to time, to SSCL by SIMS.

11. The SIMS shall be the implementing agency to carry out all project related activities for technical requirement gathering, execution within the Smart City Funds which will be paid to the contractor by SSCL as per the payment terms mentioned in the tender document.

12. SSCL at all time, has the power to monitor and supervise implementation of the project in accordance with contract conditions and to give such directions to SIMS.

13. SIMS Shall maintain complete records of works for the purpose of inspection of any agency authorized by SSCL/ GoK / Government of India.

14. To ensure speedy implementation of this MoU, both Parties shall nominate officers for day-to-day coordination to take all necessary decisions for the Project considering the local challenges within 7 working days of signing of the MOU. The proposed officers for coordination shall include:

i. Executive Engineer, SSCL
ii. Managing Director, SIMS, Shivamogga

15. Funds will be released for the work as per approved plan of operations/as per the payment terms of the contract.

Any dispute, difference or controversies of whatever nature arising in relation to this MoU (the "Dispute") shall be resolved under the chairmanship of the Deputy Commissioner, Shivamogga District as an independent Authority.

This MoU shall be without prejudice to any other MoU entered into between either of the Parties, and shall not in any way affect any other understanding as may be necessary for any other project.

The Parties may with mutual consent decide on further amendments to this MoU, as may be considered necessary to ensure smooth and efficient execution of the Project.

This MoU shall be initially valid for a period of 5 (five) years which can be mutually extended.

IN WITNESS THEREOF, the PARTIES hereto have signed this MOU on the date first written above by their duly authorized representatives.

PREAMBLE:-

The Project "Conservation of Heritage Building – Government School adjacent to Karnatika Sangh and other buildings" was proposed for Development under phase II projects of Shivamogga Smart City Limited. Post visual survey and assessment of the site it is observed that there are three blocks within the campus of Government Balika Sarkari Pratharmika Shaale, which were built in the year 1881. The age of the building is approximately 117 years. Block I is currently under the administration of Kannada Medium School, Block II is under the administration of Urdu Medium School and Block III is under the administration of Tamil medium school. However the campus also has Women's Degree college as part of the campus, those buildings are not considered for development under this project since they do not fall under the category of "Heritage Buildings".

Based on the assessment of the site, it is suggested that the Project is considered for Restoration, since the focus is not on prevention of deterioration, but the objective of the project is to restore the building to its original glory.

WHEREAS,

a) The Client is desirous of getting restoration work done for the heritage building.

b) The CLIENT wishes to have the 1st Party performing the services hereinafter assigned to them

1. Scope of Work

1.1. The period of this Agreement shall commence from the date of Signing of this Agreement between the CLIENT and the PROJECT MANAGEMENT CONSULTANTS and shall continue to be in force and valid till the completion of the restoration works and handover of the site by the PROJECT MANAGEMENT CONSULTANTS

PREAMBLE:

The Project "Conservation of Heritage Building – Corporation Main Building" is proposed for Development under phase II projects of Shivamogga Smart City Limited. Post visual survey and assessment at the site it is observed that the building needs intervention in terms of Restoration at all levels such as the addressing the leakages and replacement of tiles in the roofing system, structural work for water proofing, wall building and plastering, flooring and termite treatment, rectifications, repair and replacement of non-functioning service fixtures and cabling etc. This building which is currently being used as Corporation Office was built by Sri Nalvadi Krishnarajendra Wodeyar in the memory of his father Sri Chamarajendra Wodeyar in the year 1898. The buildings age is about 130 years and potentially falls under the category of "heritage buildings". This building was originally built as a Memorial Hall for promoting the Cultural Heritage of the Mysore Province.

Based on the assessment of the site, the Project is considered for Restoration, since the focus is not just of prevention of deterioration, but the objective is to restore the building to its original glory.

PREAMBLE:-

The Smart Cities Mission (SCM)was launched by Government of India on 25th June 2015, with an ambition to build 100+ Smart cities. The objective of the Smart Cities Mission is to improve quality of life of its citizens by providing core infrastructure, a clean and sustainable environment and application of 'Smart' Solutions.

SCM will be implemented as a Centrally Sponsored Scheme (CSS) spread over 5 years with an annual allocation of Rs 100 Crore each from GoI and GoK for each city and thus each city will get Rs. 1000 Crore at the end of the 5 years period.

The Government of Karnataka (GoK) has constituted a High Power Steering Committee (HPSC) for Smart Cities vide ref (2) under the Chairmanship of Chief Secretary with the representatives of various State Government Departments as members to guide the mission in the State. Karnataka Urban Infrastructure Development & Finance Corporation (KUIDFC) is nominated as the State Level Nodal Agency (SLNA) and the Mission Managing Director, KUIDFC as Mission Director vide Government order UDD 130 CSS 2015 dated 23.11.2015.

Seven cities from the State viz., Bengaluru, Belagavi, Davanagere, Hubballi Dharwad, Shivamogga, Mangaluru and Tumakuru are selected for development under SCM. Cities are selected based on their 'Smart City Proposal' (SCP). The SCP outlines consultations held with the residents and other stakeholders, how the aspirations are matched with the vision contained in the SCP and importantly, the proposal for financing of the smart city development plan including the revenue model to attract private participation.

The guideline of SCM envisages implementation of the projects at the City level by a Special Purpose Vehicle (SPV). The SPV will plan, appraise, approve, release funds, implement, manage, operate monitor and evaluate the smart city development projects. One of the primary reasons for the creation of SPV for the Smart City Mission is to ensure operational independence and autonomy in decision making and mission implementation.

GoK vide ref (3) has approved the Articles of Association (AoA) and Memorandum of Association (MoA) for incorporating SPVs in the selected cities. Based on the GO, SPVs have been incorporated in the 6 citiesselected in first & second round of competition, namely Belagavi, Davanagere, Hubballi Dharwad, Shivamogga, Mangaluru and Tumakuru. For Bengaluru, selected in third round of competition, establishment of SPV is in progress.

One of the primary reasons for the creation of SPV for the Smart City is to ensure operational independence and autonomy in decision making for mission implementation.

The Smart City Mission encourages the State Government and the ULB to adopt the following best practices to create empowered SPVs to the extent and as provided under the Municipal Act:

- Delegating the rights and obligations of the municipal council with respect to the Smart City project to the SPV.
- Delegating the decision making powers available to the ULB under the municipal act/ Government rules to the Chief Executive Officer of the SPV.
- Delegating the approval or decision making powers available to the Urban Development Department / Local Self Government department / Municipal Administration department to the Board of Directors of the SPV in which the State and ULB are represented.
- Delegating the matters that require the approval of the State Government to the State Level High Powered Steering Committee (HPSC) for Smart Cities.

However, the AoA of the GO vide ref (3), *Clause 4-Key functions & responsibilities of the company*, mandates SPV to get approval from the Government for implementation of each sub project.

As per the *Clause 5* of AoA of the GO vide ref (3), Government has to delegate powers to the SPV.

In order to enable the cities to start the implementation of the sub projects under SCM, administrative approval of the Government is essential.

Further, concerns are raised by the elected representatives about their role in SCM planning & implementation, which needs to be addressed.

Based on the above, KUIDFC has submitted the proposal on delegation of powers to SPVs to ensure fast track implementation of the projects.

The proposal has been examined and hence this order:

Government Order No: UDD 56 CSS 2016 (Part-5), Bengaluru, Dated: 15.09.2017

Under the circumstances explained in the preamble, Government is pleased to accord its approval for the following to speed-up the decision making process by the Special Purpose Vehicles (SPVs)s and to execute the smart city projects expeditiously.

1. Along with the existing key functions and responsibilities of the SPVsas in the AoA approved vide GO No UDD 56 CSS 2016, dated30-04-2016the following shall be included:
