PRS LEGISLATIVE RESEARCH

August 8, 2019

To,
Smt. K.R. Mahalakshmi
Hon'ble Secretary (I/C)
Karnataka Legislative Council
Bengaluru

*Memo
16/8/2019*

Sub: Request for nomination of MLCs for workshop on 'Education: Challenges & Opportunities'

Dear Smt. Mahalakshmi,

Education is a national agenda and is the catalytic tool that can transform the future of our country. States have always been at the forefront of furthering this agenda by focusing on their budgetary spending on Education.

PRS Legislative Research is organizing a comprehensive, two and a half-day national-level policy workshop for State Legislators, focusing on the implementation, regulation, quality, financial and human resource aspects of the issue of education in the country.

In this regard, we request you to nominate Hon'ble MLCs from your Legislature for this workshop to be held at the **National Institute of Public Finance and Policy at New Delhi on August 28, 29 & 30, 2019.**

This workshop will help legislators in deepening their knowledge base and gaining an in-depth understanding of the education sector in India. The workshop will also provide legislators with a great forum to engage with officials, academic experts, and fellow legislators from across the country.

In the last few years, several Hon'ble members from your legislature have actively participated in policy workshops organised by PRS Legislative Research. These workshops do not require a participation fee and have been on subjects of relevance to State legislators like 'State of State Finances', 'Job Creation in States', 'Healthcare', and 'Infrastructure in States'.

Attached with this letter is a brochure with more details on the workshop. Also attached is a registration form, which is required to be filled by the legislators, nominated by you. **The registration deadline is August 26, 2019 (Monday).**

For ease of coordination, I am taking the liberty of sending a copy of this letter to the Hon'ble Chairman of the Legislative Council.

For further information, I am available at anoop@prsindia.org or [+91-7338485500](tel:+91-7338485500). We look forward to hearing from you.

Warm regards,

Anoop Ramakrishnan

Education Challenges & Opportunities

National Workshop for
State Legislators

28-30 August, 2019 | New Delhi

Why should state legislators attend this workshop?

Education is governed by both states and central government. States cumulatively spend 15% of their budget on education. Education sector has wide-ranging implications for states, and states recognise that by prioritising their budgetary spending on education.

The workshop will empower legislators to deepen their understanding of the education sector, the regulatory framework, the human resource challenges involved, and the need for quality education.

The workshop will also give participating legislators practical ideas for making quality interventions in state legislatures. In addition, it will serve as an opportunity for Hon'ble members to meet and engage with academics, sector experts, and legislators from other states.

Workshop Details

Date: August 28-30, 2019

Venue: National Institute of Public Finance and Policy, New Delhi

The workshop is a comprehensive, two and a half-day national-level policy workshop and does not require any participation fee from Hon'ble members. All reading and program material will be provided by PRS.

Participating members are requested to make arrangements for their travel to Delhi and accommodation in the city. PRS will provide members with transportation to get them to the workshop venue.

This is a closed door workshop, open only to participating legislators and not to the personal staff of MLAs.

The complete registration form can be sent by e-mail/WhatsApp or by post to the address given below

Last date of registration is August 26, 2019

About PRS Legislative Research

PRS Legislative Research is an independent, not-for-profit institution that seeks to strengthen the legislative process by making it more informed, transparent, and participatory.

For the last 14 years, PRS has been providing research support and has anchored subject-specific sessions for legislators. Members can request research inputs on bills, budgets, and other policies for their debates in the legislature.

In the past, PRS in partnership with premier academic institutions and State Assemblies has hosted several workshops on subjects of relevance for state legislators, like Job Creation, Role of the Finance Commission, Healthcare in India, Understanding Budgets, and GST.

Legislators from across the country participated in the workshop on 'Job Creation' (Sept-2018) and 'State of State Finances' (Jan-2019)
