PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Sub: Issuance of Guidelines to consider the cases for premature release of life convicts serving sentence in the prisons of the State.

PREAMBLE:

The motto of Prison Administration is not only for punishment, but to consider conduct, behaviour and performance of prisoners while in Prison and life convicts including old-age life convicts be released and so they may be brought to the mainstream of the Society and also to provide for their rehabilitation.

The National Human Rights Commission, Model Prison Manual, All India Committee on Jail Reforms headed by Hon'ble Justice A.N. Mulla have also recommended to consider conduct, behaviour and performance of prisoners while in prison and the possibility of their being released by remitting unexpired portion of sentence or by an order granting them premature release, so that they become better human beings and integrate into the society.

Keeping in view the above, the Government of Karnataka has issued guidelines for recommendation to Hon'ble Governor of Karnataka for premature release of life convicts exercising the powers of Hon'ble Governor under Article 161 of Constitution of India. The provision under the present guidelines debars certain categories of life convicts from recommending for premature release, on grounds of provisions of Section 433A of Cr P.C. which is contrary to the spirit of the authority of Hon'ble Governor under Article 161 of the Constitution of India. DG, Prisons & Correctional Services, Karnataka has also recommended for consideration of some category of life convict prisoners who are languishing in prison for more than 14 years for consideration in line with practice in other States.

The opinion of Hon'ble Advocate General in this regard has been sought and he has referred law laid down by the Hon'ble Supreme Court of India in Union of India V/s. Sriharan (2016) 7 SCC1 and has given opinion is as follows:

- (1) Article 161 of the Constitution of India is not restricted by any of the limitations provided for in the Criminal Procedure Code. However, the Governor exercises power under Article 161 and in accordance with the aid and advice of the Council of Ministers.

(2) All applications for pardon would have to be considered by the Government before placing the same before the Governor with the recommendations of the Council of Ministers.

Section 55 of the Indian Penal Code state that;-

“Commutation of sentence of imprisonment for life.- In every case in which sentence of imprisonment for life shall have been passed, the appropriate Government may, without the consent of the offender, commute the punishment for imprisonment of either description for a term not exceeding fourteen years.”

Section 433A of Cr.P.C. also mentioned about remission or commutation of sentence of imprisonment for life after serving atleast fourteen years of imprisonment.

The issue of modification of guidelines to consider the cases for premature release of life convicts considering conduct, behaviour and performance of prisoners while in prison and age of prisoners serving life sentence were discussed several times by the “Life Convicts Release Committee.” The Life Convicts Release Committee has come to opinion that the Guidelines which have been issued vide G.O.No. HD 169 PRA 2016 dt: 23.08.2016 needs to be withdrawn. A fresh G.O needs to be issued, in conformity with the law laid down by the Hon’ble Supreme Court in the above referred judgement, Section 55 of IPC and in view of the opinion expressed by the Hon’ble Advocate General of Karnataka.

Hence, keeping in view the above, the Government of Karnataka issue the following guidelines for submitting proposal for premature release of life convicts before His Excellency, the Governor of Karnataka, under Article 161 of the Constitution of India, considering age of prisoner, conduct, behaviour and performance of prisoners during the period of serving sentence as per the Prison Manual.

Hence the Order.
