DESCRIPTION OF THE CREST

The Bengaluru North University has the motto of “*Arivu Antaragange*” embossed in its logo. The motto contains two words: ‘Arivu’ and ‘Antaragange’. The word ‘Arivu’ was brought into use by our ancestors, the Vachanakaras. Arivu represents continuous learning and insights gained through knowledge. Further, it represents the ultimate knowledge acquired through individual and collective efforts. “Antaragange” represents the core cultural psyche of the people of Ganganadu. In geophysical terms, Antaragange is a small perennial stream flowing in the Shatashringa mountain range of this region. The water represents time, life, and knowledge. Antaragange represents the competence of the human inner world and also the flow of the river that connects every human heart. This sentence comprehensively represents Bengaluru North University’s ideals of academic excellence and the welfare of the world, and hence, “*Arivu Antaragange*” forms the university’s motto.

FOREWORD

I am happy to place before you, the Annual Report of 2020-21, which is the 3rd report of this University after it was established. These are the years of infancy for our University as it was established during 2017-18 and started full pledged functioning in 2019-20. Naturally, any University will have the challenges of establishment during the initial years. Likewise our University also struggled to face the teething problems. I should thank the first Vice-Chancellor Prof. T.D. Kemparaju and the Administrators of that period for successfully bringing up this University and establishing this as a University to watch in the coming days.

We have placed in this report a detailed report of the activities conducted by the University during 2020-21. The report also documents the status of Administration, Finance, Examination and other branches of the University and hope this serves as a reference document of the University for the coming years.

I thank our Statutory Officers, Co-ordinators of different departments and all those who helped in bringing out this Annual Report. Any comment in this regard will be welcome.
