Cong to raise Toyota employees' issue in assembly

TIMES NEWS NETWORK

Bengaluru: Opposition leader Siddaramaiah said he will raise the issue of Toyota employees' strike in the assembly. After meeting the striking employees and their families, he

said: "The management seems to have been disdainful towards Karnataka's laws. They should realise that Japan's laws are not applicable here. The state government has provided required infrastructure to the company and it

should do justice to local employees," he said.

Employees of the Bidadi plant have been on strike for the last 80 days. Their union claimed that six of 3,500 employees have been dismissed and kept 60 suspended.
