**Bird flu reported
from Kerala's
two districts**

^{07/5/21}
THIRUVANANTHAPURAM,
DHNS: Bird flu cases have
been reported from two
districts in Kerala and the
authorities have sounded an
alert across the state.

Kerala Animal Husbandry
Minister K Raju said the
fresh cases were reported at
Alappuzha and Kottayam
districts, and around 48,000
ducks were being culled to
curb the chances of further
spread.

The outbreak was noticed
after ducks in large numbers
died in Alappuzha districts.
Tests conducted at Bho-
pal-based National Institute
of High Security Animal Dis-
eases confirmed that it was
bird flu.

The animal husbandry
department will open con-
trol rooms in all districts to
address the doubts and con-
cerns of farmers.
