Bengaluru: A day after the CBI conducted a search at his house and that of his brother, state Congress president DK Shivakumar, Bengaluru Rural MP **DK Suresh** on Tuesday announced he had tested positive for Covid-19. He appealed to all those who had come in contact with him, including CBI officers, to get themselves tested.

"I would like to let you know that I have tested positive for Covid-19. I am asymptomatic and in isolation. I request friends and family who have been in contact with me to test themselves. I also request CBI officials and media friends who were with me to do the same," Suresh tweeted.

Shivakumar too had tested positive in August. He was discharged from hospital and re-admitted a second time on September 4 following a relapse.
