# Dissidents to call on Shah during his visit on Jan 16, 17

Expected to highlight Vijayendra's interference in govt matters

BENGALURU, DHNS

BJP legislators unhappy over Cabinet expansion are expected to meet Union Minister Amit Shah and air their grievances, during his visit to the state on January 16 and 17.

Shah is scheduled to participate in various programmes in Shivamogga, Belagavi, Bagalkot and Bengaluru. According to sources, several BJP MLAs are expected to meet Shah during his stay in Belagavi. "Apart from those publicly airing criticism against the government, there are also those who have decided to approach the Home

minister and express their concerns." Apart from complaints on Cabinet expansion, legislators are expected to highlight the alleged interference of state BJP vice president and Yediyurappa's second son B Y Vijayendra in government affairs. Sources said despite the complaints, a quick redressal was difficult as the new list of ministers was approved by the high command before ministers were sworn in. Shah will arrive in Bengaluru on January 16, before travelling to Shivamogga for

various programmes, including the inauguration of the Rapid Action Force unit in Bhadravathi. He will return to Bengaluru the same evening and participate in an event in Vidhana Soudha. On Sunday, he will take part in an event of Nirani Group in Bagalkot, inaugurate a high-tech simulation training centre at Jawaharlal Nehru Medical College in Belagavi and will participate in a public programme at the venue. He is scheduled to visit the residence of late union minister Suresh Angadi and hold an hour-long meeting with party

leaders before departing to Delhi. "Son stroke in BJP" Meanwhile, BJP MLC A B Vishwanath said in Raichur, "Corrupt CP Yogeeswar has been made a minister as a result of son stroke in the party." Before taking part in the Halumatha Samskruthi Vaibhava programme at Thinthini Kanaka Gurupeetha, he told reporters, "CM's son Vijayendra's pressure has led to this development. The political parties are getting destroyed to either son stroke or family stroke."
