Uttar Pradesh Chief Minister Yogi Adityanath and Samajwadi Party president Akhilesh Yadav on Wednesday said they had tested positive for COVID-19.

"I am under self-isolation and following the advice of doctors. [I am] carrying out all work virtually," Mr. Adityanath said on Twitter.

Mr. Adityanath recently campaigned in the West Bengal elections. Several officials in his team had tested positive on Tuesday.

Former Uttar Pradesh Chief Minister Akhilesh Yadav also took to the social media site to announce that he had tested positive. He said he had self-isolated and was receiving treatment at home.

He requested those who came in contact with him to get tested.
