**BJP MLC seeks
elected reps' meet
on drug menace**

BENGALURU, DHNS: BJP MLC Lahar Singh Siroya, who'd repeatedly raised the issue of drug menace on the floor of the House, has now written to Chief Minister B S Yediyurappa to urgently convene a meeting of elected representatives from Bengaluru and the police officials to put an end to the mafia, which is steadily gaining foothold in the city.

In his letter to the CM, Siroya stated, "As per NCB officials, Bengaluru has become the transit hub and headquarters for drug cartels in south India." He pointed out that the recent seizures of the various quantity of drugs, cultivation of ganja in different parts of the state was testimony to the rising menace of drugs.

"If we had pursued the cases previously with able prosecutors when high-profile people were caught, we could have got to the root of the problem and put an end to it."
