**Yet again, Rahul targets
Lok Sabha Speaker**

NEW DELHI, DMNS: For the second consecutive day, Rahul Gandhi targeted Lok Sabha Speaker Om Birla claiming that he and fellow Opposition members were not allowed to ask supplementary question during the Question Hour.

"Now it is okay for the Speaker to hurt me, I understand he doesn't want me to speak. But today the entire Tamil people wanted to ask a supplementary question about the Tamil language," Rahul told reporters after staging a walkout from the Lok Sabha along with members of the DMK, Congress and the NCP.

Rahul claimed that the Speaker didn't allow Opposition members to pose supplementary questions to the government on the issue of promotion of Hindi language and its growing influence in the southern parts of the country. He had levelled a similar allegation against the Speaker on Monday.
