Assembly session may be suspended 15/3/22

The ongoing budget session of the legislature may be suspended for a week over Covid-19 concerns. A decision is expected on Wednesday. Speaker Vishweshwar Hegde Kageri will discuss the issue with floor leaders of all three parties. After Tuesday's session, disinfectant was sprayed at Vidhana Soudha and Vidhana Parishad. BJP legislators are pressing for continuation of the budget session after Ugadi, which is on March 25. THN
