Standing committee polls on Dec 4

24-11-2019
BENGALURU, DINES: Regional
Commissioner Harsha Gupta on Thursday issued a circular to hold elections for 12 standing committees for the current mayoral term.

Gupta said the elections will be held on December 4.

The elections are usually held during the mayoral

polls, but were postponed this year for two months as the existing committee chairpersons had approached the court and got a stay on the elections. With the elections, the BBMP will have standing committee members who will discuss matters related to civic works in its limits.
