## Four Bills passed in Assembly

BENGALURU, DHNS: Four of the 30 plus Bills lined up in the on-going session were passed by the Legislative Assembly on Tuesday. A total of 12 Bills were tabled during the day.

Two of the legislations passed benefit leprosy patients. The Karnataka Prohibition of Beggary (Amendment) Bill was based on the directions of the Supreme Court to end discriminatory provisions in the parent Act of 1975, with respect to leprosy patients in the country.

Similarly, the Kannada University and Certain Other Laws (Amendment) Bill was passed. "There was a clause for disqualification in membership that included leprosy. We're removing that since the Supreme Court has ordered that those with leprosy shouldn't be

separated from society," Law Minister J C Madhuswamy said.

The Karnataka Legislature Salaries, Pensions and Allowances and Certain Other Law (Amendment) Bill, which reduced 30% salaries of legislators, was passed. Also, the Private Medical Establishments (Amendment) Bill, in which the BBMP commissioner will head the registration authority, was passed.

Other Bills that were tabled include Karnataka State Civil Services (Prohibition of Absorption of the Service of the Employees of Establishments in Public Sector into Public Service) Bill, Karnataka Industries (Facilitation) (Amendment) Bill and Karnataka Lokayukta Amendment Bill.
