## Kumar as Speaker uncertain

9th July  
BANGALORE, 23ND: There is uncertainty on K P Ramchandra Kumar continuing as Assembly Speaker, especially after he himself expressed doubt on Tuesday.

"I don't know if I'll contin-

ue in this post," Kumar said in the Assembly. "I'm carrying a resignation letter in my pocket just in case something goes wrong," he said, and handed out the letter to the Leader of the Opposition B S Yeddyurap-

pa. Kumar was under tremendous pressure to put the trust motion to vote.

It is speculated that the new BJP government may be looking to replace Kumar as the Speaker.
