**Speaker should not speak in
favour of ruling party: Oppn**

A day after assembly speaker Vishweshwar Hegde Kageri expressed displeasure over Congress's conduct during the budget session, Siddaramaiah said that the speaker should not speak in favour of any party. "In a democracy, it is the duty of the opposition to raise voice against the government whenever it takes wrong decisions or indulges in corruption. We cannot keep quiet when the sex CD case has become an issue of public debate. We have done what is expected of the opposition," he said. TNN
