## Retired judge is Claims Commissioner

BENGALURU, DHNS.

29/8/20

The Karnataka High Court on Friday appointed its retired judge Justice H S Kempanna as the Claims Commissioner to estimate the damage and investigate liability in the riots at DJ Halli and KG Halli.

A division bench comprising Chief Justice Abhay Shreeniwas Oka and Justice Ashok S Kinagi directed the state government to consult Justice Kempanna for necessary infrastructure. The court passed the order based on the 2009 SC directions on 'Destruction of Public and Private Properties'.

Considering the Justice pandemic, Kempanna the bench informed the Claims Commissioner that he can conduct the hearings through video conferencing.

The bench stated that the appointment was only based on the materials showing destruction of public and private properties. "We clarify that we have not gone into the correctness of the FIR."

Once the Claims Commissioner submits the report, the liability will have to be determined before the high court after hearing the parties.
