**Unlock 2.0: Curbs to be eased further**

SHEMIN JOY  
NEW DELHI, DHNS

30/6/20  
Expansion of domestic air travel in a calibrated manner, relaxation in night curfew and permitting more than five persons in shops depending their size are among a few relaxations provided by the Ministry of Home Affairs (MHA) in Covid-19 Unlock 2.0 that starts from July 1.

Strict lockdown will continue in containment zones till July 31, according to the new guidelines issued on Monday.

Educational institutions will remain closed till July 31 though central and state training institutions will be allowed to function from July 15.

The guidelines issued for Unlock 2.0 also said that international air travel and Metro continue to remain suspended. Cinemas, gymnasiums, swimming pools, entertainment parks, theatres, bars, auditoriums and assembly halls will not be allowed to open during this period.

Political, academic, cultural, religious, sporting events and other large congregations also continue to be prohibited during Unlock 2.0.

However, dates for opening these will be decided separately based on the assessment of the situation.

The new guidelines are based on the feedback received from states and Union Territories and extensive consultations held with related central ministries and departments, an official statement said.

Night curfew timings will be between 10 pm and 5 am instead of 9 pm and 5 am at present.

The guidelines also allowed states to prohibit certain activities outside containment zones or impose such restrictions as deemed necessary. However, there will be no restriction on inter-state and intra-state movement of people and goods.

Persons above 65 years, persons with comorbidities, pregnant women and children below the age of 10 years are advised to stay at home except for essential and health purposes.
