Subject: Request for Nomination of MLCs for the National Workshop

Dear Ma'am,

PRS Legislative Research is organising a two-day national workshop on Infrastructure for state legislators at the India International Centre, New Delhi on October 22-23, 2026. We request you to nominate MLCs from your legislature for the workshop.

This workshop will help legislators understand current challenges and possible ways ahead in infrastructure planning, financing, migration, urban housing, multi-modal logistics, and related areas. These discussions will help participants engage effectively in the legislative process and help shape policies.

As part of our work, PRS regularly conducts workshops for legislators at the national, regional, and state levels. PRS has previously conducted workshops in conjunction with the legislatures of Andhra Pradesh, Bihar, Goa, Haryana, Jharkhand, Karnataka, Madhya Pradesh, Meghalaya, Tamil Nadu, and Uttar Pradesh, among others.

Legislators are not required to pay any fee to attend the workshop. A **brochure, along with the registration form, is attached**. I request your office to send the filled registration form of the nominated members by email, post, or WhatsApp.

Registration Deadline: October 16, 2026 (Friday)

Participants are required to make their own arrangements for travel and accommodation. The medium of interaction will primarily be English. This is a closed-door workshop, open only to participating state legislators. PRS will be unable to accommodate personal staff of legislators.

For further information, please reach out to me at aanchal@prsindia.org and +91 98188 03308, or my colleague Bharat N S at bharat@prsindia.org and +91 83682 60940.

Thanks and regards,

Aanchal

National Workshop for State Legislators on Infrastructure

October 22-23, 2026 | New Delhi

Why should legislators attend this programme?

State legislators play a key role in shaping policies for infrastructure planning, financing, and delivery. A well-planned infrastructure system can improve livelihoods, expand access to essential services, and support greater economic activity. It requires sustained, long-term planning, and significant public investment across sectors. Addressing the challenges and gaps in infrastructure system is also essential to improve infrastructure outcomes and ensure effective delivery

In this workshop, experts will discuss current challenges and possible ways ahead in infrastructure planning, financing, mobility, housing, logistics, and related areas.

These discussions will help participants engage effectively in the legislative process and contribute to shaping policies.

About PRS Legislative Research

PRS is an independent, not-for-profit research institution that seeks to strengthen the legislative process by making it better informed, more transparent, and participatory.

For the last 20 years, PRS has been providing research support and has anchored subject-specific sessions for legislators. Members can request research inputs on Bills, budgets and other policies for their debates in the legislatures.

In addition to these policy workshops, PRS has hosted several workshops at the national, regional, and state level in partnership with premier academic institutions and State Legislatures. It has also anchored programs for Secretariat officials on various legislative and finance topics.
