CONDITIONS

- 1 Laying a gas pipeline spanning a total distance of 221 km, as part of this undertaking, we acknowledge the shift from the old Schedule of Rates (SR) to a new one, and the subsequent need to prepare a revised estimate difference amount to be paid in the form of BG.
- 2 It is necessary to reconstruct the road to the expected standard for smooth movement by the public and the cost of reconstruction must be borne by Bharath Petroleum Corporation Ltd. Reconstruction of quality roads to specific specifications at the expense of the organization.
- 3 In case of installation of gas pipeline, appropriate precautionary measures should be taken so that drinking water pipelines within the jurisdiction of Gadag-Betageri Municipal Council are not affected. In case of pipeline rupture, repair within 24 hours at own cost of their organization.
- 4 In case of gas leakage from the gas pipeline or other emergency repairs, provision has been made to dig the road and obtain mandatory post-incident sanction from the city local bodies concerned for such emergency repairs.
- 5 In cases where the road digging permit has expired, renew the permit and start implementation.
- 6 Penalty levy of three times the prescribed fee per meter in case of unauthorized digging of road or for every violation in case of exceeding the time limit of permission for digging of road.

- 7 The permission granted as above shall be limited to one time only for the concerned appeal. Later, if additional underground or above-ground installations are required in the paths where the gas pipeline is installed, the Organization will have to pay additional fees and obtain permission for the additional installation as per the estimate prepared by Engineers of Gadag-Betageri Municipality.
- 8 Boards detailing the work going on during the process of road digging and gas pipeline installation should be displayed at the work site and precautions should be taken to avoid disturbance to private/public property/casualties/traffic system. In case of private/public property/loss of life/disturbance to traffic system Bharath Petroleum Corporation Ltd. Institutions are directly liable.
- 9 Even if the road digging permission is obtained prior to the road development work, if the road development work is completed before the road digging is done, the permission obtained will immediately become invalid. In violation of this, if the newly constructed road is dug, then the concerned local Gadag-Betageri Municipal Council Engineers shall take action to impose a fine of Rs. 25.00 Lakh.
- 10 Open Trench & HDD (Horizontal Directional Drilling) is prohibited for a period of one year on newly constructed roads under any circumstances. Bharath Petroleum Corporation Ltd. has discussed the pros and cons of economic aspects of reconstruction of the pipeline road after one year depending on the location. On HDD (Horizontal Directional Drilling) method related to road digging can be given permission by the local Gadag-Betageri Municipal Engineer. Bharath Petroleum Corporation Ltd. carries out quality work as per specifications and restores roads damaged due to road excavation. It is the sole responsibility of the institutions.
- 11 Bharath Petroleum Corporation Ltd. on roads other than newly asphalted/concreted roads. In cases where the organization has paid an additional fee of 5% to connect the last mile connectivity or customers, a period of two (2) years has been fixed from the date of completion of the road digging license, during which the work of digging the road and installing the gas pipeline can be carried out to connect the last mile connectivity or customers.
- 12 Bharath Petroleum Corporation Ltd. to make the said order. Applies only to gas pipeline installation works necessary for supply of natural gas to consumers by establishments.
