4.8 The rate of fee for a section of a four-lane highway shall on and from the commencement of the work relating to up-gradation to six laning be seventy-five percent of the fee applicable on the date of commencement of the these Rules, till the completion of the project without any annual revision.

Provided that no user fee shall be levied for the delayed period between the date of completion as per the agreement entered into with the concessionaire and the date of actual completion of the project.

Explanation:- For the purposes of this rule, any provisional completion of the project shall not be treated as completion of the project.

4.9 The rate of fee for use of standalone structure as well as structure forming part of a liner Highway/ Expressway, shall be calculated by converting the length of the structure into an equivalent length of Highway/Expressway by multiplying factor of ten.
Provided the structure of 60 meters of length of less, on a linear Highway/Expressway will be considered a part of the normal length of Highway/Expressway for calculation of fee.

5. Annual revision of rate of fee :-

5.1 The rates specified under rule 4 shall be increased without compounding, by three percent each year with effect from the 1st day of April, 2008 and such increased rate shall be deemed to be the base rate for the subsequent years.

5.2 The applicable base rates shall be revised annually with effect from April 1 each year to reflect the increase in the wholesale price index for the month of December of the year, in which such revision is undertaken but such revision shall be restricted to forty per cent of the increase in wholesale price index.

5.3 The formula for determining the applicable rate of fee shall be as follows;

$$\text{Applicable rate of fee} = \text{base rate} + \frac{\text{base rate} \times (\text{WPI A} - \text{WPI B})}{\text{WPI B}} \times 0.4$$

Illustrations- The rate of fee for car / jeep / van computed for the year 2014-15 is shown below;

(a) Applicable rate of fee shall be the rate payable by the user;

(b) Base rate shall be the rate specified in rule 4 read with sub-rule 5.1.

(c) WPI A means the wholesale price index of and the wholesale price index for the month of December of the year, immediately preceding the date of revision under these rules; and

(d) WPI B means the wholesale price index for the month of December of the year, preceding year of immediate preceding year 2013, i.e. for December, 2012 (168.80) of all commodities.

Illustration.- If the revision is to be made for the year 2013-14 by applying the wholesale price index of the month ending on December 2013 (i.e. 179.20), then the rate for car, Jeep or van will be as computed below:

$$\text{Applicable rate of fee} = 0.943 + \frac{0.943 \times (179.20 - 168.80)}{168.80} \times 0.40 = 0.9671$$

5.4 Annual revision of rate of fee under this rule shall be effective from first of April every year;

6. Collection of Fee :-

- 6.1 Fee levied under these rules shall be collected by the State Government or the executing authority or the concessionaire, as the case may be at the toll plaza.
- 6.2 Every driver, owner or person in charge of a mechanical vehicle shall for the use of the section of State Highways, Standalone Structures before crossing the toll plaza, pay the fee specified under these rules.
- 6.3 The fee collected under these rules shall be paid either in cash or through smart card or on board unit (transponder) or any other like device.
Provided that no additional charges shall be realised for making the payment of fee by use of a smart card or on board unit (transponder) or any other such device.
- 6.4 Any driver, owner or person in charge of a mechanical vehicle who opts for the installation of on board unit (transponder) or any other such device for payment of fee, shall deposit a refundable security equivalent to the cost of the equipment with the State Government, the executing authority or the concessionaire, as the case may be, for such installation and no interest shall accrue on such security deposit.
- 6.5 The person receiving such fee under sub-rule 6.2, shall issue to the driver, owner or person in charge of mechanical vehicle a receipt, specifying therein the date and time of such receipt of fee, total amount received, and the class of vehicle for which the fee has been received.

Geometrics: -

a) **Horizontal Alignment:** -There are 94 curves in the Horizontal Alignment as furnished here under with radius.

>400 M < 700 M - 35 Nos.

>700 M < 1000 M - 45 Nos.

>1000 M - 14 Nos.

All the curves are having radius higher than the minimum desirable radius of 400M.

b) **Vertical Alignment:** -Considerable length of the Project Highway is with Summit and Valley curves. There are Vertical Curves with gradients more than 2.5% but are within 3.3% the limiting gradients.
