No. NH-15017/20/2023-P&M
Government of India
Ministry of Road Transport & Highways
Transport Bhawan, 1, Parliament Street, New Delhi-110001
Dated, 18th September, 2023

All Project Zone Chief Engineers,
Ministry of Road Transport & Highways,
New Delhi-110001.

Sub: Maintenance Plan for National Highways (NHs) entrusted with State/UT Govt. and Ministry's PIUs.

Sir,

Please find enclosed herewith the approved sanction ceiling for the maintenance plan for the year 2023-24 under Short Term Maintenance Contract (STMC) and Performance Based Maintenance Contract (PBMC) for the National Highways (NHs) stretches being maintained either through State/UT PWD/RCD or Ministry's PIUs. The above details were prepared based on the details furnished by the Project Zones/concerned ROs.

2. As discussed during the review meeting taken by Hon'ble Minister (RT&H) / Secretary, RT&H on 04.09.2023 regarding maintenance plan, it was decided that all NH stretches should either be under development plan / Defect Liability Period (DLP) or any sort of maintenance plan so that one contractor/concessionaire is always responsible for the maintenance of that NH stretch under any sort of contract. This will ensure that NH sections remain pothole free. This is also in line with section 198A of Motor Vehicle Act amended in 2019 to keep the highways in safe condition failing which penalty is non-compounding.

3. Accordingly, all Project Zone Chief Engineers / ROs of the Ministry are requested to implement the maintenance plan immediately for deployment of any agency for starting the maintenance work as soon as possible but not later than 30.11.2023.

It is also requested to immediately review the entire development and maintenance plan and ensure that all NH sections entrusted with State/UT PWD/RCD/Ministry's PIU are duly engaged with any agency for maintenance. If any stretch is still missing and has not been accounted under any maintenance plan so far, it is requested that the same may be immediately reviewed and informed to the Planning Zone by 29.09.2023.

4. Estimates for STMC works costing less than Rs. 5 Crore shall be sanctioned and work shall be executed in accordance with para 5.2 of the Ministry's Circular No. RW/NH-24035/4/2008-P&M/PIC Vol.II dated 23.02.2018. Other works shall be sanctioned and executed as per the extant policies of the Ministry.

5. Henceforth, Project Zone Chief Engineers / concerned ROs shall ensure that the entire NH network under their jurisdiction is maintained through properly enacted agencies so that for any bad condition on NHs, the responsibility can be fixed.
