**BENGALURU URBAN
ZILLA PANCHAYATH
ANNUAL ADMINISTRATION REPORT
FOR THE YEAR 2018-19**

BENGALURU URBAN DISTRICT

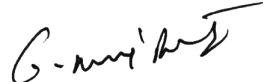

Preface

Bengaluru Urban Zilla Panchayath is delighted to bring out 2018-19 Annual Administrative Report. It contains Financial and Physical Progress report of State and Central Government Schemes. BengaluruUrban Zilla Panchayath has utilised the allocated plan grants transperantly and effectively. We must appreciate and memorize the co-operation direction and guidance extended by all Zilla Panchayath members and also whole-hearted work done by all officers and implementing agencies of the Zilla Panchayath.

We wish to make use of this publication by all.

Sri.K. Shivaramgowda
Chief Executive Officer,
Bengaluru Urban Zilla Panchayath.

Sri.Muniraju.C.,
President,
Bengaluru Urban Zilla Panchayath.

Annual Administrative Report for 2018-19

Mission Indhradhanush:

Mission Indhradhanush will be a national immunization drive to strengthen the key functional areas of immunization for ensuring high coverage throughout the country with special attention to districts with low immunization coverage.

The broad strategy, based on evidence and best practices, will include four basic elements.

- Meticulous planning of campaigns/sessions at all levels. Ensure revision of microplans in all blocks and urban areas in each, district to ensure availability of sufficient vaccinators and all vaccines during routine immunization sessions. Develop special plans to reach the unreached children in more than 400,000 high risk settlements such as urban slums, construction sites, brick kilns, nomadic sites and hard-to-reach areas.
- Effective communication and social mobilization efforts: Generate awareness and demand for immunization services through need-based communication strategies and social mobilization activities to enhance participation of the community in the routine immunization programme through mass media, Mid Media, interpersonal communication(IPC), School and youth networks and corporate.
- Intensive training of the health officials and frontline workers: Build the capacity of health officials and workers in routine immunization activities for quality immunization services.
- Establish accountability framework through task forces: Enhance involvement and accountability/ownership of the district administrative and health machinery by strengthening the district task forces for immunization in all districts of India and ensuring the use of concurrent session monitoring data to plug the gaps in implementation on a real time basis.

AYUSH

Department of Indian Systems of Medicine and Homoeopathy (ISM&H) was created in March, 1995 and re-named as Department of Ayurveda, Yoga & Naturopathy, Unani, Siddha and Homoeopathy (AYUSH) in November, 2003 with a view to providing Healthcare, Education and Research in Ayurveda, Yoga & Naturopathy, Unani, Siddha and Homoeopathy, systems. The Dept continued to lay emphasis on improving health care facilities, upgrading AYUSH Educational standards, awareness generation about AYUSH. The Karnataka has taken initiative in Mainstreaming of AYUSH in National Health Care under NRHM in right earnest. The AYUSH systems are time-tested methods to tackle life style disorders which are becoming a major threat to health in present era. These systems can play major role not only in prevention the diseases but in curative aspect too. AYUSH system can give a holistic approach to health systems there by boosting the whole health system and contribute to the society. In the society. In the above view it is necessary to popularize, Revive, Revitalize, the AYUSH system by giving proper infrastructure, human Resource Development, training, AYUSH systems of Medicines are well accepted by community particularly with rural areas because these are socially acceptable, comparatively safe and efficacious and easily available which can be prepared locally by the available resources. By these it is possible to make these systems accessible to people in general and patients in particular.

Hospitals and Dispensaries are working at various villages, taluk levels, and district levels. rendering outpatient services and also in patient services. Under these Hospitals Medical Officers are conducting home Remedy Programs (Manemaddu Karyakrama), Ayush awareness and free Health Camps in remote parts of the District. Apart from this in major Hospitals Department is providing Panchakarma treatment, Shalya Chikitsa (surgical treatment) which is unique in system of Ayurveda. IN Manemaddu Program Yoga training is given in various schools and Organisations. which helps in improving health and mental ability. Ayush System emphasis more in preventing the diseases. By following Dinacharya(daily regimen) , Ruthucharya (seasonal regimen) and swastha vrutta one can boost immunity and prevent many disorders.

Ayush system is rendering services throughout Karnataka Every district has its own district Ayush office under the control of Ayush Department and its concerned ZP,s. Likewise in Bengaluru Urban district district Ayush office Bengaluru urban Bengaluru has various Ayush Hospital and Dispensaries under the control of District Ayush Officer.

Animal Husbandry and Veterinary Services

Bengaluru Urban District has a human population of 96.21 lakh as of 2011, with 11.98 lakh SCs, 1.90 Lakh Scheduled Tribes and 11% depending on agriculture. The district receives an average rainfall of about 896 mm per year and is in the low rainfall zone. There are 17 Hoblis and 96 Gram Panchayats in the district. There are 417138 total livestock and 2421151 poultry, including 136582 cattle (hybrid, local combined), 8453 buffaloes, 77302 sheep, 44725 goats, 17359 pigs, 127120 dogs, and 4842 other animals in the district according to the 19th cattle census of 2012.

Veterinary Services

In Bangalore urban district there are 20 Veterinary Hospitals, 58 Veterinary dispensaries, 19 Primary Veterinary Centres and 4 Mobile Veterinary Clinics. Polyclinic is situated in the Cantonment Hospital premises where specialists treat the animals with the aid of latest equipments and diagnostic tools. Totally there are 102 veterinary Institutions functioning in the district.

The details of the Institutions in 2017-18 are as follows.

Taluk	Poly clinic	Veterinary Hospital	Veterinary Dispensaries	Mobile Veterinary Clinics	Primary Veterinary Centres	Total	Veterinary Doctors	Para Technical Staff
Anekal	0	5	8	1	10	24	15	38
Bengaluru South	0	8	10	1	4	24	20	39
Bengaluru North	1	5	26	1	3	35	34	61
Bengaluru East	0	2	14	1	2	19	18	26
Total	1	20	58	4	19	102	87	164

These veterinary institutions in addition to maintaining the health of animals are helping them in producing good genetic quality calves by the method of artificial insemination using superior quality semen from imported bulls and also getting only female calves using sexed semen. Various schemes in the department are being implemented to help the small and marginal farmers and agricultural labourers to buy hybrid cows / pigs / poultry by helping them with subsidy amount and loans from banks to improve their living standards. In addition to these, many other programmes of the department are helping farmers to lead a better life. The department officials are working hard towards achieving this goal. Veterinary institutions are taking action to prevent livestock from contagious diseases by carrying out regular vaccination programmes against FMD, PPR, HS, ET, BRUCELLA etc.,.

Vaccination schedule carried out by the department :

Sl. No	Disease	Type of animals	Month of vaccination	Area of vaccination
1	Anthrax	Cattle buffaloes, sheep and goats	Jan	Cluster villages in endemic districts
2	PPR	Sheep and goats	1 st round Jan ,2 nd round July and Aug	In all villages unvaccinated animals and newly born (30% of population)
3	FMD	Cattle, buffaloes and pigs	1 st round Feb and March 2 nd round Aug and Sept	In all villages
4	Brucellosis	6 to 8 months calves and buffalo calves	1 st week of every month	In all villages
5	BQ	Cattle and buffaloes	Apr	Cluster villages in endemic districts
6	HS	Cattle buffaloes, sheep and goats	1 st round May and June and 2 nd round Nov and Dec	Cluster villages in endemic districts
7	ET	Sheep and goats	1 st round June and 2 nd round Dec	In all villages

Being the capital of the state Bengaluru City is the headquarters of the department with the commissioner's office and directors office. State and central research institutions are also located in the district. The Karnataka milk federation which has 95619 milk producers and 97914 agricultural labourers benefitting from it, is also located centrally in Bangalore. The Veterinary college in Hebbal, provides advanced technology in treating the animals as well as gives training to farmers in cows, sheep, goats, pigs, poultry rearing by maintaining respective farms and fodder crops demonstrations maintained for farmers. The unemployed youth / farmers are trained in the training centers of the district for dairy, sheep/goat, pig and poultry farming who are selected in the social economic schemes to facilitate them in setting up farms independently.

Training Centers :

1. State livestock breeding and training Center, Hesaraghatta
2. State livestock breeding farm, Hesaraghatta.
3. Pig breeding farm, Hesaraghatta
4. Rabbit breeding farm, Hesaraghatta
5. State poultry farm, Hesaraghatta

The poultry birds produced in the State poultry farms are distributed to farmers selected in the backyard poultry rearing scheme. Central poultry training institute in Hesaraghatta are training farmers in poultry and duck farming and also doctors in advanced technology. Central fodder development Institute – Hesaraghatta is training farmers in fodder production methods and also providing fodder seeds to farmers.

The medicines and other equipments required by the institutions is being supplied by the Veterinary medical stores which purchases from companies which have entered into rate contract with government. Reach institutions like IAH and VB, IVRI, NDDDB, NIANP, NIVEDI are involved in vaccine production and investigation of various diseases in animals, advanced research in nutrition, fodder research etc.

Mobile Veterinary Clinics :

There are 4 mobile veterinary clinics in the district, one each for each taluk. Veterinary Officers of 4 mobile Veterinary Clinics are engaged in treating animals at farmers doorstep by following a prescheduled route everyday from Monday to Thursday and also supplying semen and liquid nitrogen to all veterinary institutions in their taluk.

The following is the progress of mobile veterinary clinics in 2018-19:

Sl. No .	Programme	Progress
1	Number of villages toured by veterinarians	90
2	Artificial insemination	1003
3	Pregnancy check up	986
4	Number of animals treated	4649
5	Number of animals Dewormed	2141

Health Camps

Infertile animals are a financial burden to farmers and if such animals are treated and made breed able it is a boon to farmers and also prevents economic loss. Hence with this aim ,infertility camps are conducted in selected villages to treat such animals. In addition general treatments, vaccinations, deworming are also carried out and farmers are also updated regarding latest developments in animal husbandry sector. Local leaders, zilla panchayath members, taluk panchayath members and the village panchayath members are also invited to participate in these camps. These camps are also organized in collaboration with Lions club and other organizations.

Progress Details of health camps in 2018-19

Sl. No.	Details	Progress
1	Total number of camps conducted	52
2	Total infertile animals treated	1766
3	Other animals treated	5016
4	Animals castrated	368

Crossbred cow and calf rallies

In the year 2018-19 ten crossbred cow and calf rallies were organised in the district. This is an encouragement to farmers to rear animals in scientific manner and get more yields. Many farmers have taken part and won many prizes. Also a milking competition was conducted in Attibele in Anekal taluk wherein large number of farmers participated and many prizes were distributed.

Paratechnical staff training:

61 Paratechnical staff of the district were given departmental training regarding new treatment techniques, efficient working methods and other subjects in the year 2018-19.

Bird flu serosurveillance programme:

To check the prevalence of Birdflu in the district regular serosurveillance is being carried out by the department .In the year 2018-19 a total of 288 samples were collected and submitted to IAH and VB.

Pashu Bhagya Scheme :

Under the scheme BPL beneficiaries, the agricultural labourers, the landless, the disabled, the migrant, the Scheduled Castes / Scheduled Tribes are provided with the dairy / poultry/piggery/poultry units. Out of this, 50 per cent subsidy for SC / ST beneficiaries and 25 per cent subsidy for other categories are provided by the Government. Totally 665 beneficiaries have been selected in the financial year 2018-19 by the selection committees constituted by the government headed by MLAs of respective constituencies. The government has implemented the "Amrita Scheme" to help widows / women in hard ship to live their lives, by providing subsidy for dairy farming and sheep rearing.

Tribal sub Plan(RKVY):

Under this scheme, the district has a total amount of Rs. 180000.00 grant released and the cost of the unit is Rs.1.20 lakhs for Scheduled Tribes beneficiaries. The scheme is being implemented by providing a subsidy of Rs.0.60 lakhs and Rs .0.60 lakh loan through financial institutions to rear 2 cows/buffaloes. Under this scheme, 3 eligible beneficiaries have been selected by the Gram Panchayath and the selection list is approved by the selection Committee constituted by the government headed by MLAs of respective constituencies.

Special Component Plan(state sector) (unutilised amount of year 2013):

1. Under this scheme Rs.300000.00 has been released for pig rearing. Selected SC beneficiary will be given rs.75000.00 as subsidy and alone of RS 25000 through financial institutions with a total unit cost of Rs.100000.00. Totally 4 beneficiaries have been selected in this scheme.
2. Rs.900000.00 has been released for rearing cow/buffalo.SC beneficiaries get a subsidy of 75% of unit cost i.e; Rs. 90000.00 subsidy amount and a loan of Rs.30000.00 and 2 cows per unit. Totally 10 selected beneficiaries have availed this scheme.
3. Rs.780000.00 has been released to the district for sheep/goat (10+1) rearing scheme. Unit cost being Rs.67500.00 SC beneficiary gets a subsidy of 60000.00 .Totally 13 SC farmers have been selected under this scheme

Tribal sub Plan(state sector) (unutilised amount of year 2013):

1. Under this scheme Rs.225000.00 has been released for pig rearing. Selected ST beneficiary will be given rs.75000.00 as subsidy and alone of RS 25000 through financial institutions with a total unit cost of Rs.100000.00. Totally 3 beneficiaries have been selected in this scheme.

2. Rs.360000.00 has been released for rearing cow/buffalo.ST beneficiaries get a subsidy of 75% of unit cost i.e; Rs. 90000.00 subsidy amount and a loan of Rs.30000.00 and 2 cows per unit. Totally 4 selected beneficiaries have availed this scheme.
3. Rs.360000.00 has been released to the district for sheep/goat (10+1) rearing scheme. Unit cost being Rs.67500.00 SC beneficiary gets a subsidy of 60000.00 .Totally 6 ST farmers have been selected under this scheme

Animal husbandry for women: (state sector)

Special Component Plan

1. Rs.588000.00 has been released to the district for sheep/goat (3) rearing scheme. Unit cost being Rs.15000.00 SC beneficiary gets a subsidy of 12000.00 and RS 3000.00 to be invested by the beneficiary. Totally 49 SC Women have been selected under this scheme.
2. Under this scheme Rs.1012500.00 has been released for calf rearing.hSelected SC beneficiary will be given rs.13500.00 as subsidy and with a total unit cost of Rs.18000.00 will be provided with calf feed, mineral mixtures,h dewormers, and growth boosters to rear local male calf/female calf/ crossbred calf/improved buffalo calf. .Totally 75 beneficiaries have been selected in this scheme

Tribal sub plan:

1. Rs.216000.00 has been released to the district for sheep/goat (3) rearing scheme. Unit cost being Rs.15000.00 ST beneficiary gets a subsidy of 12000.00 and RS 3000.00 to be invested by the beneficiary. Totally 18 ST Women have been selected under this scheme.
2. Under this scheme Rs.378000.00 has been released for calf rearing.hSelected ST beneficiary will be given rs.13500.00 as subsidy and with a total unit cost of Rs.18000.00 will be provided with calf feed, mineral mixtures, dewormers, and growth boosters to rear local male calf/female calf/ crossbred calf/improved buffalo calf. .Totally 28 beneficiaries have been selected in this scheme.

General

1. Rs.42000.00 has been released to the district for sheep/goat (10+1) rearing scheme. Unit cost being Rs.67500.00 beneficiary gets a subsidy of 10000.00 and RS 57500.00 loan from financial institutions to rear sheep/goat.be invested by the beneficiary. Totally 42 Women have been selected under this scheme.
2. Under this scheme Rs.445500.00 has been released for calf rearing. Selected beneficiary will be given rs.13500.00 as subsidy and with a total unit cost of Rs.18000.00 will be provided with calf feed, mineral mixtures, dewormers, and growth boosters to rear local male calf/female calf/ crossbred calf/improved buffalo calf. .Totally 33 beneficiaries have been selected in this scheme
3. Rs.480000.00 has been released for rearing cow/buffalo. beneficiaries get a subsidy of 25% of unit cost i.e; Rs. 30000.00 subsidy amount and a loan of Rs90000.00 and 2 cows per unit. Totally 16 selected beneficiaries have availed this scheme.

Insurance Scheme for dairy cows: -

Farmers' animals (cows) will be covered under this scheme up to a maximum of Rs.50,000 with 40% from the Government and 30% by the milk cooperative society and 30% from the beneficiary and the service tax

Free Insurance Scheme for Cattle

In the financial year 2018-19 unspent amount in the milk incentives being given to farmers was utilised in the national livestock mission to give free insurance scheme to good genetic potential bulls/bullocks/buffalo bulls/heifers/cows/buffalos belonging to SC/ST farmers. The entire premium amount is paid for maximum market value of Rs. 50000.00 for a period of 3yrs. A total grant of Rs.34.37 lakhs under SCP with a target of 1146 SC beneficiaries and 5.31 lakhs under TSP with a target of 177 ST beneficiaries has been released and till date 659 animals covered under this scheme.

Sheep Exgratia Scheme

Under the scheme, the farmers will be paid an amount of Rs.2500.00 for sheep/goat aged below 6 months and Rs.5000.00 for sheep/goat aged above 6 months in case of their death which is given directly to the beneficiary's account by the sheep board.

Ex-gratia in cattle

In this scheme an amount of Rs.10000.00 is paid to farmers whose cattle (bullocks/cows) die accidentally and are not insured. This scheme helps farmers to bear their loss to some extent.

Hydroponic

Fodder development plays a very important role in animal husbandry. Though the state is in the forefront in milk production, average production has not increased. Fodder shortage is common in drought and summer and fodder management is a challenge. In this scenario hydroponics is a new technology which is most suited in such situations. In this method the fodder is grown in controlled situation in water only. For the year 2018-19 four demonstrations of hydroponics has been established in the state.

In the district 16 beneficiaries have been selected to get trained in this technology and the unit cost being RS. 0.70 lakhs with a contribution of RS.17500 /- from the farmers and the rest amount being given by the government in case of general category and in case of SC/ST farmers contribution of RS.7000 /- and the rest amount being given by the government.

Rs.5 / - incentive to milk producers

There are 469 associations in the Bangaluru Milk Federation and 27072 milk producers in the district are being encouraged by the government with Rs.5 / incentive per litre of milk, so that the district milk producers are interested in dairy farming, helping them to better livelihoods.

Extension activities

Veterinary Officers in 4 taluks of the district are functioning in Extension Division. The officials will be present at the village meetings and farmers will be informed about details about the department activities and facilities available from the department. Providing information on fodder production. Knowledge of cattle farming / poultry farming / piggery farming, providing information on their usefulness, and providing appropriate information to farmers about the production of silage. Infertility treatment camps will be conducted in the rural areas to give guidance about the usefulness of such camps, conducting calf rallies as well as training camps for farmers and the farmers participating in those camps are given a lecture about programmes of the animal Husbandry. In addition they are also involved in implementing socio-economic programmes of government.

Sample survey scheme

The main objective of this project is to make annual estimate of livestock products such as milk, eggs, wool and meat. Two Veterinary Inspectors, who work under the Sample Survey Plan in the Deputy Director's Office, are working in villages separately selected for the summer, rainy, and winter seasons

The final reports are submitted time to time to the Joint Director (Statistics), Department of Animal Husbandry and Veterinary Services, Bengaluru by senior veterinary inspectors / veterinary inspectors / veterinary assistants working in other veterinary institutions in the district. A survey of 124 villages selected in 3 periods of the year. Meat and egg demand are being supplied by other districts. The district has a lack of modern slaughter house and BBMP needs to take necessary action in this regard.

Department buildings

Of the 102 institutions in the district, 19 institutions are working in private buildings constructed by BBMP / Gram Panchayath / Taluk Panchayath and other donors . Proposal has been submitted with list of institutions to the district commissioner of district and BBMP and the Commissioner to provide sites for construction of buildings under RIDF/ESVHD schemes. In 2018-19 new buildings have been constructed under RIDF in Pantharapalya and Tavarekere with a total grant of 58.65 lakhs.a total grant of Rs.50000.00 has been released by the Zilla panchayath for repair works of 19 institutions.

The Zilla Panchayath has released Rs. 20.00 lakh grants to repair veterinary institutions buildings in 2017-18. It was implemented directly by Department of PRED.

Goshalas

There are no govt. goshalas run by the government in the district, but old age bulls, male calves, buffalo and cows are being maintained by the private organizations. The district has 9 such Goshalas .The details are as below:

Sl. No.	Taluk	Name of the goshala	Total area of goshala	Total animals in goshala

2	Bengaluru North	Venugopalaswamy goo samrakshna seva trust(R) Lingarajapuram	4 Acres	120
		Shri Ranganath gaudiya math/goshala	9 Acres	60
		Naati hasu goshale Kakolu	1 Acre	230
3	Bengaluru South	Shri Ravishankar guruji goshala,Udayapura	20 Acres	924
		Ramachandrapura math goshala,Dinnepalya	4 Acres	423
		Sringeri math ,Baadekatte	28 Acres	165
		B.G.S. goshala Kambipura	20 Acres	179
4	Bengaluru East	Bengaluru goshala trust,Garudacharpalya	-	-
		Srikrishna goshala ,Doddagubbi	1.5 Acres	120

20th Livestock census

Livestock census being a main national programme 20th livestock census started from august 2018 .Enumeration of various breeds of cattle, buffalo, sheep, goat, pigs, horse, small horses, mules, camels, dogs, rabbits, elephants and poultry like fowls, ducks, emu, turkeys, is done along with the enumeration of various equipments used in animal husbandry and fisheries. India our country has agriculture as a major occupation. Animal husbandry is a major occupation of farmers especially in rural areas wherein integrated farming is carried out. To frame rules to benefit farming community the government needs data regarding the total population of animals hence the census is carried once in 5yrs. The highlight of this census is that for the first time enumeration is done using tablets offline and the supervisors sync the data online so that data is compiled easily .Bangalore Urban district has 809 villages and 198 wards and a total of 260 enumerators and 59 supervisors and 4 scrutiny officers one for each taluk were appointed for the census. The programme has been successfully completed.

Zilla Panchayath Programs (Plan) of 2018-19

Rs. 16.00 lakhs has been released and 18100 birds are reared in government poultry farm and distributed to 1810 beneficiaries identified by the ZP members. Each beneficiary is given 10 Giriraja birds aged 5 weeks.
5. The district has been allocated total amount of Rs 743.19 lakh for the pay allowance 177 staff members in the district under the head of account 2403-00-101-0-26(001).

Fisheries

Fish is an important source of proteinaceous nutritious food and fisheries sector occupies an important position in the economic growth of the country. It provides ample job opportunities for the rural poor and unemployed youths.

Bengaluru Urban district has 2 Reservoirs (2322 ha), 178 major departmental tanks (5614.77 ha) and 149 small Grama panchayath tanks (3099.2 ha). These water resources were developed by stocking suitable fast growing varieties of fishes viz., common carp, catla, rohu, mrigal, grass carp and silver carp. To meet the ever growing demand for fish and its products, due importance was given to increase the inland fish production in the available water resources. The following developmental programmes have been implemented during the year 2018-19 with an emphasis on increase in fish production and to meet employment opportunities.

DISTRICT SECTOR PROGRAMMES

1) Assistance to Inland Fisheries development:-

- a) **Fish Seed production, rearing and distribution:-** Under this scheme required quantity of fish seed are procured from both Government and Private fish seed production and rearing centres at the rates fixed by the Govt and are supplied to the fish culturists who have obtained fishery rights of the tanks through Tender-cum- Auction or direct lease basis. Under this scheme a financial target Rs. 9.00 lakhs and Physical target of 9.50 lakhs fish seed for stocking have been fixed for the current year and an amount of Rs. 8.54 lakhs has been spent against the target. Fishery requisites kits have been distributed to 20 beneficiaries worth Rs. 2.00 lakhs under the special component plan and to 10 beneficiaries worth Rs. 1.00 lakhs under Tribal sub-plan. Tanks in the district that had received water during the period have been developed by stocking 9.620 lakhs fish seeds.
- b) **Assistance to Fish Marketing and Mathsyavahini:-** Under this Scheme subsidy maximum Rs.10,000/- @ 25% of the unit cost was given to beneficiaries for purchase of two wheeler (moped) with insulated ice box. In the current year an amount of Rs. 5.00 lakhs subsidy had been given to 50 beneficiaries to purchase Mopeds and insulated boxes.
- c) **Construction and maintenance of fisheries buildings and infrastructure:-** Under the scheme Rs. 2.00 lakhs was allocated and spent for the repair works of office buildings of Bangalore Urban district office, Bangalore North and South taluk offices.
- d) **Exhibition and Training:-** Under the scheme Rs. 1.00 lakhs was allocated and Rs. 0.99 lakhs was spent towards printing of brochures and participation in the exhibition and training of farmers.

STATE SECTOR PROGRAMMES

- 1) **Distribution of Fishery requisite kits:-** Under this programme, the materials required for fishing like fishing nets, head rope, foot rope, sinkers etc, were supplied free of cost to poor fishermen. Financial target for the programme was Rs. 0.80 lakhs and accordingly the programme was implemented selecting 08 eligible beneficiaries.
- 2) **Distribution of Fibre glass Coracles to Fishermen for fishing:-** Under the Programme Fibre glass coracles were given to poor active fishermen for fishing in the tanks. In the current year 11 fishermen have been assisted with the coracles worth Rs. 1.10 lakhs.
- 3) **Assistance to purchase fish seed:-** Under the scheme subsidy will be given upto Rs. 20,000/- to Fisheries Co-operative Societies and upto Rs. 5,000/- to individuals for the purchase of fish seed..
- 4) **Rastriya Krishi Vikasa Yojane:-** Under this programme the materials required for fishing like fishing nets, head rope, foot rope, sinkers etc, were supplied free of cost to poor fishermen. In the present year 14 fishermen have been given 14 kits worth Rs.1.40 lakhs. Also 14 beneficiaries received fibre glass coracles worth Rs. 1.40 lakhs.
- 5) **Mathsyakrushi Asha Kirana:-** The main objective of the scheme was to increase the fish production in the selected tanks through intensive fish culture method. Under the scheme assistance is given in the form of subsidy @ 50% to a maximum of Rs. 27,000/ha for the purchase of 4000 fish seeds/ha and 2 tons of artificial feed/ha. In the present year a subsidy of Rs. 2,40,500/- has been given to implement the scheme in 14 tanks.
- 6) **Subsidy to unspent amount under Schedule Caste subplan and Schedule Tribes subplan Act 2013:-** Under the scheme 01 beneficiaries have been given fishery requisites and Fibre glass Coracles worth Rs. 0.20 lakhs. Three beneficiaries have been given assistance of Rs. 21.00 lakhs in the form of subsidy on purchase of Three numbers of four wheeler transport vehicles.
- 7) **Exhibition, Research and Training:-** Under this scheme Rs. 3.07 lakhs has been allotted to conduct Exhibition and Training activities. During the year 2018-19 Rs. 3.07 lakhs has spent to conduct Exhibition and Training in Thippogondanahalli and Anekal Taluk.

Department of Sericulture

During the year 2018-19 in Urban district Sericulture has spread over 1043.35 Hectares of Mulberry garden and includes 1404 Sericulturists involved in Sericulture activity. To render technical guidance to the above farmers 8 Technical Service Centres are functioning in Anekal, Attibele, Chandapura, Sarjapura, Kengeri, Yelahanka, Chikkajala and Varhtur.

Anekal Taluk has been identified as bivoltine seed area and the cocoons produced in this taluk is supplied to various parts of the state for production of crossbreed and bivoltine disease free layings (dfls).

During the current year 8.245 lakhs crossbreed disease free layings are reared and produced 651.769 metric tons of crossbreed cocoons. Simultaneously 4.951/- lakhs bivoltine dfls are reared to produce 373.730 metric tons of bivoltine cocoons.

The below table gives details of talukwise mulberry garden and the number of Sericulturists involved in this activity.

Sl. No.	Taluk	Area under Mulberry	No of Sericulturists
1	Bengaluru North	301.44	392
2	Bengaluru South	201.50	289
3	Bengaluru East	44.09	74
4	Anekal	496.32	649
	Total	1043.35	1404

1. Zilla Panchayat Programmes:

DEPT. OF HANDLOOMS & TEXTILES

Bengaluru Urban District is well known for its silk products from ancient times. City is also known as Silicon city, Garden City and also as a Garment city. Silk industries are running successfully in Bangalore city, due to the availability of raw-material in rural areas and marketing facility for silk products. The Garments & Textile Industries have given life, daily bread & basic needs for the number of people in Bengaluru urban district.

As per the survey made in 2017, 1623 handlooms in 811 handloom weavers families & 35000 power looms in 17500 power loom weavers families have been identified.

As per the recent survey both in co-operative & private sectors approximately 2867 handlooms & 8308 power looms units are been established & have given employments to thousands of people. In Bangalore urban District 39 co-operative societies are there out of which 26 are handloom co-operatives & 13 are power loom societies working, following Schemes have been implemented under District Sector scheme.

➤ **Assistance to Hand Loom Industries :-**

1) H.O. Account: 2851-00-107-0-31

a. Hand Loom Modernization :-

Under this scheme assistance will be provided to handloom weavers of co-operative societies for modernization of handlooms. This will given to only members of the weavers co-operative society, to increase their efficiency, productivity and their earning capacity under this financial assistance of max Rs. 40,000/- will be given to one co-operative society. For the year 2017-18 an amount of Rs.8.00 lakhs has been sanctioned for 20 societies.

b. Working capital assistance to Hand Loom :-

This scheme is intended to encourage rural artisans to form handloom co-operatives so that assistance in the form of purchase of raw-materials and marketing could be rendered to the artisans through the societies. For this purpose, societies will be assisted in the form of working capital to meet the margin money requirements and also to increase borrowing capacity of the societies. Under the scheme handloom societies are eligible to take loan for purchase of raw material, Rs.50,000/- for each society to take loan for purchase of raw material at the rate of 6% interest. For the year 2017-18 sum of Rs.8.00 lakhs has been sanctioned to 16 societies.

2) Govt. share in handloom co-operatives (H.O. Account: 4851-00-101-0-37)

This scheme is implemented to encourage the handloom co-operative societies to increase the potential of the societies to avail the loan considering the performance & capability of the societies. Rs 50,000/- will be allotted to each co-operative society, hence for the year 2017-18 the sum of Rs.2.00 lakhs has been sanctioned for 5 societies.

3. Infrastructure Facilities to Power loom Co-op societies (H.O.Account: 6851-00-108-0-06)

This scheme is implemented to encourage the power loom co-operative societies, by providing the infrastructure facilities in production activities. To meet the expenditure under this scheme for financial year 2017-18 a sum of Rs.2.00 lakhs has been utilised for one society.

Sanjeevini -Karnataka State Rural Livelihoods Mission (KSRLM)

The core belief of National Rural Livelihoods Mission (NRLM) is that the poor have a strong desire and innate capabilities to come out of poverty. They are entrepreneurial. The challenge is to unleash their innate capabilities to generate meaningful livelihoods, which enable them to come out of poverty. The first step in this process is motivating them to form their own institutions. Their true potential is realized when they are provided sufficient capacities to manage the external environment and easy access to finance, and are enabled to expand their skills and assets and convert them into meaningful livelihoods. This requires continuous handholding support by their institutions. An external dedicated, sensitive support structure, from the national level to the sub-district level, is required to induce such social mobilization, institution building and livelihoods promotion.

Strong institutional platforms of the poor empower the poor households and enable them to build-up their own human, social, financial and other resources. They, in turn, enable them to access their rights, entitlements and livelihoods opportunities, including services (both from the public and private sector). The social mobilization process enhances solidarity, voice and bargaining power of the poor. These processes enable them to pursue viable livelihoods based on leveraging their own resources, skills and preferences. Thus, they come out of abject poverty and do not fall back into poverty.

NRLM also believes that the programme can be up scaled in a time bound manner, only if it is driven by the poor themselves.

NRLM Values:

The core values which guide all the activities under NRLM are as follows: Inclusion of the poorest, and meaningful role to the poorest in all the processes. Transparency and accountability of all processes and institutions. Ownership and key role of the poor and their institutions in all stages – planning, implementation and monitoring. Community self-reliance and self-dependence.

NRLM Mission:

“To reduce poverty by enabling the poor households to access gainful self-employment and skilled wage employment opportunities resulting in appreciable improvement in their livelihoods on a sustainable basis, through building strong and sustainable grassroots institutions of the poor.”

Key Features of NRLM:

1. Social Inclusion and Institutions of the Poor
 - Universal Social Mobilization
 - Promotion of Institutions of the poor
 - Training, Capacity building and skill building
 - Revolving Fund and Capital Subsidy
 - Universal Financial Inclusion
 - Provision of Interest Subsidy
2. Livelihoods
 - Infrastructure creation and Marketing support
 - Innovations
3. Convergence and partnerships
Partnerships with NGOs and other CSOs

Housing programs:

The Rural Development and Panchayath Raj department of govt. of India has shared the socio economic and caste censuses report of 2011. “Dr. B.R Ambedkar housing scheme” has been launched with the target of construction of 1lakh houses for each taluk to provide housing facilities to the scheduled caste and scheduled tribes in rural areas. The Gram Sabha and awareness (conscious) committees would identify the beneficiary as per the District and taluk targets. For each house subsidy amount has been fixed for Rs. 1,75,000/- (One lakh seventy-five thousands only) and priority will be given for the homeless people in the construction of houses. And on the basis of the construction progress the fund will be released to beneficiary account.

New houses construction progress for the year 2018-19 , details are as follows:

Taluks	Financial progress (Rs. lakhs)		Physical progress (in numbers)	
	Fund Released	Spent amount	Target	Achievement
Anekal	505.45	505.45	510	254

Bangalore East	107.03	107.03	360	47
Total	885.90	885.90	1950	478

Basava Housing scheme:

Basava housing scheme has been launched with the vision to make Karnataka state as the **Hut free** state. The rural homeless people can apply and avail the scheme through the Gram panchayaths. The Grama Panchayats will identify the beneficiaries as per the census of existing thatched huts at the panchayath level. The beneficiaries will be identified through the Grama Sabha with the annual income of lesser than Rs. 32,000/-. Among the identified beneficiaries except handicaps, ex-army, widows and senior citizens, the annual income is applicable only to the women beneficiaries.

The beneficiary should be a citizen of Karnataka state, must be an owner of the land and he/she should not be the beneficiary of any other housing schemes. For reservation details are as; 38% for scheduled caste, 100% for scheduled class, 10% for minority, and 50% for general category. And 3% reservation for handicaps, 2% for senior citizens, 1% for ex-army respectively.

Each house unit cost is Rs. 1.00 lakh, the central and state government funding is Rs. 1.20 lakhs and out of Rs.30000/- loan and subscription is included. At 4 phases the progress of the construction has been monitored through GPS technology. The construction progress photos will be uploaded in the online and accordingly the fund directly released to the bank account of the beneficiary.

The selected beneficiaries must undergo an agreement with Rajiv Gandhi housing corporation, in the prescribed given form No -2 & 2A of And form No -3 & 3A for mortgage letter.

Crop Insurance and Crop estimation Survey

The main objective of the crop Estimation survey is to estimate the Yield per hectare of important food and non-food crops at Grama panchayath, Hobli, District and State Level and to collect useful ancillary information on crop management on the existing cultivation practices, attack of pests and diseases etc. From 2016 crop cutting experiment are conducted through mobile app. After the introduction of crop insurance scheme (CIS) in the state, the results obtained out of CES are being made use to assess the crop loss for settlement of crop insurance claims.

2018-19 Kharif season total 492 Experiments were planned and conducted under Ragi, Paddy, Maize and different Vegetable crops.

Birth And Death Registration

The enactment of the Registration of Birth and Deaths Act 1969 has Made the Registration of Birth and Deaths compulsory all over the country. In urban areas Chief Officer/Health Inspector and in rural areas village Accountants are appointed as Birth and Deaths Registrars. Online registration implemented very first in Karnataka State in Anekal Taluk from August 2015. From 2016 system also extended to remaining taluks of the District.

Solid liquid waste Management :- (SLWM) in more than 500 people resideing grama panchayath considering to construct SLWM implemented 20 lakhs approval has been declared. 2018-19 year Bangalore North Taluk Rajanukunte and Anekal Taluk Shantipura GPs are successfully implmented SLWM activity. 2019-20 this year total target 40 GPs for the Impletation of SWM activity.

Information Education& Communication (IEC) :- In the year 2019-20 the Grama Panchayaths provide training which ever come across Bangalore urban to Maintain the sustainable state of ODF and also for the SWM they provide training through IEC implemented.

Central & state government Programme in all grama panchayath to maintain the cleanliness in all school and Aganawadi they provide responsibility the cleanliness about the water resources to maintain the cleanliness about road and drainage.

Asper the Central & state government Programme All grama panchayath Swachh Meva Jayate progremme Impletated during a period from 2019 June-11 to July-10 IEC and HRD activities like village level wall paintings, ODF Boards, rallies and clean drive capians are sucessfully implimented for awerness of rural villagers.

All grama panchayath come across bangalore urban region are urbanrized so SLWM is very important according to this maintaing daily process of SLWM.
