... RESPONDENT(S)

WITH

R.P. (C) NO. 1956 OF 2013 IN T.C. (C) NO. 101 OF 2012

O R D E R

These review petitions have been filed against the judgment of this Court dated 18th July, 2013 passed in Christian Medical College Vellore & Ors. Vs. Union of India & Ors. reported in (2014) 2 SCC 305. The review petitions were placed before a Three-Judge Bench and notices were issued on 23rd October, 2013 and thereafter, it was brought to the notice of the Bench that Civil Appeal No. 4060/2009 and connected matters involving an identical issue, had been referred to a Five-Judge Bench. Accordingly, on 21st January, 2016, these review petitions were ordered to be heard by a Five-Judge Bench.

On 21st January, 2016, notice was ordered to be served through substituted service and in pursuance of the said order, necessary publication was made in two newspapers and proof thereof was filed on 15th February, 2016. Thereafter, we have heard the matters.

Civil Appeal No.4060/2009 and its connected matters have been heard and order has been reserved on 16th March, 2016.

We have heard the counsel on either side at great length and also considered the various judgments cited by them, which include judgments cited by the non-applicants on the scope of review in Kamlesh Verma vs. Mayawati and Others (2013) 8 SCC 320, Union of India vs. Namit Sharma (2013) 10 SCC 359 and Sheonandan Paswan vs. State of Bihar and others (1987) 1 SCC 288.

After giving our thoughtful and due consideration, we are of the view that the judgment delivered in Christian Medical College (supra) needs reconsideration. We do not propose to state reasons in detail at this stage so as to see that it may not prejudicially affect the hearing of the matters. For this purpose we have kept in mind the following observations appearing in the Constitution Bench judgment of this Court in Sheonandan Paswan (supra) as under:

(16)

".... If the Review Bench of the apex court were required to give reasons, the Review Bench would have to discuss the case fully and elaborately and expose what according to it constitutes an error in the reasoning of the Original Bench and this would inevitably result in pre-judgment of the case and prejudice its re-hearing. A reasoned order allowing a review petition and setting aside the order sought to be reviewed would, even before the re-hearing of the case, dictate the direction of the re-hearing and such direction, whether of binding or of persuasive value, would conceivably in most cases adversely affect the losing party at the re-hearing of the case. We are therefore of the view that the Review Bench in the present case could not be faulted for not giving reasons for allowing the Review Petition and directing re-hearing of the appeal. It is significant to note that all the three Judges of the Review Bench were unanimous in taking the view that "any decision of the facts and circumstances which ... constitutes errors apparent on the face of record and my reasons for the findings that these facts and circumstances constitute errors apparent on the face of record resulting in the success of the review petition, may have the possibility of prejudicing the appeal which as a result of my decision has to be re-heard...."

Suffice it is to mention that the majority view has not taken into consideration some binding precedents and more particularly, we find that there was no discussion among the members of the Bench before pronouncement of the judgment.

We, therefore, allow these review petitions and recall the judgment dated 18th July, 2013 and direct that the matters be heard afresh. The review petitions stand disposed of as allowed.

IN THE SUPREME COURT OF INDIA
CIVIL ORIGINAL JURISDICTION

WRIT PETITION (C) NO.261 OF 2016

SANKALP CHARITABLE TRUST AND ANR. ... PETITIONER(S)

VS.

UNION OF INDIA AND ORS. ... RESPONDENT(S)

O R D E R

The following prayer has been made in this petition :

"a) Issue a Writ of Mandamus or any other writ, order or direction in the nature of Mandamus directing the Respondents to conduct the National Eligibility cum Entrance Test (NEET) for admission to MBBS Course throughout the country for academic session 2016-17;

(b) Issue or pass any writ, direction or order, which this Hon'ble Court may deem fit and proper under the facts and circumstances of the case."

When the matter was heard on 27th April, 2016, the following order was passed by this Court :

"Taken on board.

The learned counsel for the petitioner has assured this Court that he will remove the office objections by tomorrow. At his request, Respondent No.4 is deleted from the array of parties. All the three respondents are represented by their respective counsel and they have assured this Court that they are ready and willing to hold NEET examination for admission to MBBS and BDS courses for the

academic year 2016-17.

As the counsel representing CBSE would like to take necessary instructions, hearing is adjourned for tomorrow. Proposed schedule of the examination to be held, shall be submitted in the Court tomorrow.

The learned counsel shall also see that a responsible officer of the CBSE, who can take on the spot decision, remains present in the Court.

List the matter tomorrow, i.e., 28th April, 2016 at 12.00 p.m."

The matter has been thereafter heard today. It has been submitted by the learned counsel appearing for all the respondents that it is proposed to hold the examination in pursuance of Notifications dated 21st December, 2010 issued by the Medical Council of India and the Dental Council of India ('DCI' for short).

As per the said Notifications, a common entrance test, i.e., National Eligibility cum Entrance Test (NEET) shall be held.

It was further submitted, interalia, as follows :

"1. AIPMT 2016 to be held on 1st May, 2016 shall be phase I of NEET.

2. Phase II of NEET for the left out candidates shall be held on 24th July, 2016 by inviting applications with fee.

3. Combined result of both the Tests shall be declared on 17th August, 2016.

4. CBSE will provide All India Rank. Admitting Authorities will invite applications for Counselling and merit list shall be drawn based on All India Rank.

5. All associated with conduct of Exam including Central Govt., State Govt., institutions, Police etc. will extend all necessary support to CBSE and permit security measures like use of electronic and

(10)

communication devices Jammers etc. for timely and fair conduct of the NEET.

6. Any difficulty with regard to implementation of orders of this Court the stake holders may approach this Hon'ble Court."

The learned counsel have also given the details with regard to the time when the result would be declared and counselling would take place.

In view of the submissions made on behalf of the respondents, we record that NEET shall be held as stated by the respondents. We further clarify that notwithstanding any order passed by any Court earlier with regard to not holding NEET, this order shall operate. Therefore, no further order is required to be passed at this stage.

It may be mentioned here that some learned counsel representing those who are not parties to this petition have made submissions that in view of the judgment passed in Christian Medical College, Vellore & Ors. Vs. Union of India & Ors., reported in (2014) 2 SCC 305, it would not be proper to hold NEET and this order should not affect pending matters.

We do not agree with the first submission for the reason that the said judgment has already been recalled on 11th April, 2016 and therefore, the Notifications dated 21st December, 2010 are in operation as on today.

It may however be clarified that by this order hearing of the petitions which are pending before this Court will not be affected.

The petition be now listed in due course.
