EDUCATION SECRETARIAT NOTIFICATION-I

No. ED 709 PGC 2017, Bengaluru, Dated: 08-03-2018.

Whereas the draft of the Karnataka Educational Institutions (Classification, Regulation and Prescription of Curricula, etc.)(Amendment) Rules, 2017 was published as required by section 145 of the Karnataka Education Act, 1983 (Karnataka Act 1 of 1995) read with sections 5A, 30, 31, 32 and 36 of the Karnataka Educational Institutions (Classification, Regulation and Prescription of Curricula, etc.) Rules, 1995 in Notification-I No. ED 709 PGC 2017, dated 02.01.2018 in Part IVA No. 11 of the Karnataka Gazette (Extra Ordinary Gazette) dated 02.01.2018 inviting objections or suggestions from all persons likely to be affected within fifteen days from the date of its publication in the Official Gazette.

And again in Notification No. ED 709 PGC 2017, dated 03.02.2018 in Part IVA No. 243 of the Karnataka Gazette (Extra Ordinary Gazette) dated 03.02.2018 further fifteen days time has been extended to submit objections or suggestions from all persons likely to be affected.

And whereas the said Gazette was made available to public on 02.1.2018 and on 03.02.2018.

And whereas the objections and suggestions received from the public have been considered by the Government.

Now, therefore, in exercise of the powers conferred by section 145 of the Karnataka Education Act, 1983 (Karnataka Act 1 of 1995) read with sections 5A, 30, 31, 32 and 36, the Government of Karnataka hereby makes the following rules, namely: -

RULES

1. **Title and Commencement.**- (1) These rules may be called the Karnataka Educational Institutions (Classification, Regulation and Prescription of Curricula, etc.) (Amendment) Rules, 2018.

(2) They shall come into force from the date of their final publication in the official Gazette.

2. **Amendment of rule 2.**- In the Karnataka Educational Institutions (Classification, Regulation and Prescription of Curricula, etc.) Rules, 1995 (herein after referred as the said rules), in rule 2, after clause (b), the following shall be inserted, namely:-

"(c) "Safety and security of students" means Physical Safety that includes infrastructure, health and transportation, Personal and Sexual Safety, Social and Emotional Safety, Cyber Safety, and Emergency Preparedness and Disaster Management;

(d) "Schedule" means schedule appended to this rules;

(e) "Student Achievement Tracking System" means an Information Technology system established by the State Government for tracking enrollment and learning achievements of students, and for managing school processes."

3. Substitution of rule 3.- For rule 3 of the said rules, the following shall be substituted, namely:-

"3. Prescription of classes relating to Primary and Secondary Education for the purpose of clauses (25) and (32) of Section 2.-

- (a) 'Primary Education' shall have classes from 1st to 8th standard; with 1st to 5th as lower primary and 6th to 8th as higher primary;
- (b) 'Secondary Education' shall have classes of 9th and 10th standard;
- (c) 'Higher Secondary Education' shall have classes of 9th to 12th standard."

4. Amendment of rule 5.- In rule 5 of the said rules,-

(i) in sub-rule (1), in clause (ii) for the words "six square feet" the words "one square meter" shall be substituted.

(ii) after sub-rule (3), the following shall be inserted, namely:-

"(4) Every private body of persons desiring to establish and maintain an educational institution imparting pre-primary, primary, secondary and higher secondary education or any part thereof shall own or have on lease for a minimum period of thirty years following minimum contiguous extent of land for the building and playground of the educational institution with permission from relevant authorities to use for educational purposes:

Sl. No.	Location	Extent of Land
I. Educational institution imparting pre- primary to higher secondary education, or primary to higher secondary education, or pre-primary to secondary education		
1	BBMP and Other Municipal Corporation Areas	2000 square meter
2	Other areas	4000 square meter
II. Educational institution imparting only either primary and secondary education, or imparting secondary and higher secondary education		
3	BBMP and Other Municipal Corporation Areas	1500 square meter
4	Other areas	3000 square meter
III. Educational institution imparting only primary education, or secondary education, or higher secondary education		
5	BBMP and Other Municipal Corporation Areas	1000 square meter
6	Other areas	2000 square meter
IV. Educational institution imparting only pre-primary education		
7	All areas	Building carpet area of 1 square meter per student subject to a minimum of 2000 sq.ft. preferably in the ground floor.

Provided that, the above land requirement shall not be applicable to the educational institutions imparting pre-primary education only:

Provided further that, the above requirement of land extent shall not be applicable to the existing educational institutions started with due registration upto academic year 2017-18 except the extent of land prescribed in the right of children to free and compulsory education Act, 2009 (Act No 35 of 2009)."

5. Insertion of new rule 5A.- After rule 5 of the said rules, the following shall be inserted, namely:-

***5A. Measure for safety and security of students.**- (1) Every Governing Council running or maintaining an educational institution or desiring to establish and maintain an educational institution imparting pre-primary, primary, secondary and higher secondary education or any part thereof and the educational institution itself shall,-

- (a) prepare student protection plan;
- (b) carry out safety needs assessment through annual hazard hunt exercise;
- (c) prepare disaster management plan;
- (d) take measures to ensure safety and security of students, including protection from sexual offences, in the manner detailed in the First Schedule; and
- (e) take measures for strengthening institutional commitment to safe learning environment for students, planning for safety, implementation of safety actions, capacity building for school safety and monitoring school safety in the manner detailed in the Second Schedule.

(2) The measures specified in sub-rule (1), shall also apply to the Educational Institutions established or maintained by the State Government and Local Authorities.

(3) The operational guidelines for implementation of these measures, disclosure to the parents and public, and reporting shall be specified by the Government by a notification.

(4) Every educational institution including those maintained by the State Government and the Local Bodies for imparting pre-primary, primary, secondary and higher secondary education or any part thereof shall be required to provide enrollment details of every student on the Student Achievement Tracking System (sts.karnataka.gov.in) of the State Government:

Provided that, the details of the students, as may be prescribed, under Information Technology Act, 2000 or under the Aadhaar (Targeted Delivery Of Financial And Other Subsidies, Benefits And Services) Act, 2016 (Central Act 18 of 2016) shall not be placed in the public domain but shall be shared with the Government or Government agencies required to facilitate the object of Student Achievement Tracking System.

6. Substitution of rule 7.- For rule 7 of the said rules, the following shall be substituted, namely:-

***7. Time for providing facilities and taking safety and security measures to existing institutions.**- (1) All the educational institutions running during the academic year 2017-18 but not meeting the building or other infrastructure norms for safety and security of students and school safety specified in rule 5A shall take the measures within a period not exceeding one year from the date of commencement of the Karnataka Educational Institutions (Classification, Regulation and Prescription of Curricula, etc.) (Amendment) Rules, 2018 or issue of the related notification, whichever is later.

(2) All the educational institutions running during the academic year 2017-18 shall take the measures, other than those covered under sub-rule (1), for safety and security of students and school safety specified in rule 5A within a period not exceeding six months from the date of commencement of the Karnataka Educational Institutions (Classification, Regulation and Prescription of Curricula, etc.) (Amendment) Rules, 2018 or issue of the related notification, whichever is later.

(3) No new educational institution shall begin classes unless it has substantially complied with all the provisions of the rules 4, 5, 5A, and 6.*

7. Insertion of Schedules.- After rule 21 of the said rules, the following Schedules, shall be inserted, namely:-

***First Schedule
(See rule 5A (1) (d))
Measures for Safety and Security of students**

The measures detailed below, in the form of a checklist, take into consideration different dimensions of child safety and provides indicators for assessment under five important areas of safety and protection: Physical Safety that includes infrastructure, health and transportation, Personal and Sexual Safety, Social and Emotional Safety, Cyber Safety, and Emergency Preparedness and Disaster Management.

This checklist may be customized by the authorities of Educational Institutions, in consultation with staff, parents and students, to suit the requirements of the Educational Institution. However, the indicators that are marked mandatory (M) shall be adhered to by all Educational Institutions.

SECTION 1: PHYSICAL SAFETY - INFRASTRUCTURE, HEALTH and TRANSPORTATION
SECTION 1.A: INFRASTRUCTURE

Sl. No	Measures / Indicators	Mark 'Yes' or 'No' for each indicator	Mandatory (M)/Recommended (R)/Not Applicable (NA)
1	Educational Institution has proper compound wall or where there is no compound wall, the Educational Institution has temporary fencing		M
2	The entire Educational Institution premises and classrooms are well lit and ventilated, with sufficient doors and windows with space as prescribed by the applicable law.		M
3	(i) Floors are even with no pits or broken surfaces (ii) Roofs are strong with no leakage, breakage (iii) Staircase have proper holding support and are in good condition (iv) The floor, roof and staircase do not have any broken parts/patches or edges jutting that can harm children (v) The entire school premise does not have sharp objects protruding out that can injure children		M
4	(i) The windows have safe grills (ii) Parapet walls and balconies have railings of suitable height (iii) Exits, main door and gate are well maintained		M
5	(i) All electrical wiring is concealed or insulated. (ii) Switch boxes are properly maintained and placed beyond the reach of children. (iii) Electrical appliances are regularly checked and maintained. (iv) Fans located where children cannot injure themselves		M
6	Benches, desks are sturdy and whether they are made of wood, mould plastic, metal or any other material have round edges and are not broken		M
7	(i) Drains, sumps, bore wells and overhead tanks in schools are closed (ii) Overhead tanks, sumps are cleaned periodically (iii) Drains in the school vicinity are closed		M M R
8	(i) There is a separate kitchen with store facility for the midday meal program (ii) Kitchen cleanliness and hygiene is maintained (iii) The kitchen is rodent and pest free (iv) All food products are kept covered in clean containers and stored hygienically		M M M M
9	(i) Drinking water is available (ii) Water filter/purifier is available (iii) Water is supplied through taps with sufficient number of taps (iv) There is no water logging in the water supply area		M R R M
10	(i) The school has separate functional toilets for boys (ii) The school has separate functional toilets for girls (iii) Number of toilets is in proportion to number of students (iv) Hygiene of the toilets is maintained (v) All disinfectants and cleaning materials are kept away from the reach of the children.		M M M M M M

11	(i) The Sports room, if a separate room is available, is well ventilated and well equipped (ii) Auditorium and gymnasiums (if any) are used by children under supervision of trained staff (iii) The school playgrounds, swings, rides, sports-equipment etc., are safe and maintained regularly (iv) All safety instructions pertaining to use of play equipment to be displayed prominently near play equipment		R
12	The computer lab and laboratory are used only under the supervision of trained teachers		M
13	All hazardous materials are stored and locked out of reach of children (i) School has a proper system for disposal of waste and garbage (ii) The school has a proper sewerage and drainage system		M M R M
14	(i) Elevators (if any), are licensed (issued by the Department of Electrical Inspectorate) and comply with the maintenance and fitness requirements prescribed under law. (ii) Annual Testing and Maintenance Report is submitted to Inspector of Lifts Inspector of Lifts, Escalators and Passenger Conveyors		M
